Aben Resources Closes $720,000 Private Placement

March 28, 2014

Vancouver, BC – Aben Resources Ltd. (TSX-V: ABN) (OTC PK: ABNAF) (Frankfurt: E2L) (the "Company") is pleased to announce that it has closed its non-brokered private placement in two tranches raising total gross proceeds of $720,000.

The Company issued 9,900,000 units (the "Units") at a price of $0.06 per Unit in the first tranche of its private placement. Each Unit consists of one common share in the capital of the Company and one common share purchase warrant (the "Warrants"). Each Warrant entitles the holder to purchase one common share (a "Warrant Share") at a price of $0.075 per Warrant Share if exercised on or before March 24, 2016.

Aben Resources issued 2,100,000 Units at a price of $0.06 per Unit in the second tranche of its private placement. Each Unit consists of one common share in the capital of the Company and one Warrant. Each Warrant entitles the holder to purchase one common share at a price of $0.075 per Warrant Share if exercised on or before March 28, 2016.

Aben Resources intends to utilize the proceeds of the offering for general working capital purposes.

The Company issued 42,000 finder's units to Wolverton Securities Ltd. ("Wolverton"). The Wolverton finder's units are on the same terms as the subscribers' Units. The Company also paid a total of $2,520 to Leede Financial Markets Inc. in connection with this financing.

The shares and warrants issued under the private placement and any shares issued pursuant to the exercise of the warrants, including those issued to finders, are subject to a four month and one day hold period under applicable securities laws and imposed by the TSX Venture Exchange.
